计算数学所学术报告

报告人: **Prof. Yik-Man Chiang**

( *Hong Kong University of Science and Technology* )

报告题目:

**What is orthogonality?**

邀请人: 胡星标 研究员

报告时间: **2017 年 9 月 16 日 (周六)**

**下午 16:30-17:30**

报告地点: 数学院南楼七层

**702 教室**

**Abstract:**

**We plan to recast some classical orthogonal polynomials in a residue setting. Then we discuss some new orthogonality that are more suitable to be interpreted this way.**
