计算数学所学术报告

报告人: **Prof. Elizabeth L Mansfield**

( *University of Kent, UK* )

报告题目:

**Discrete Moving Frames**

邀请人: 唐贻发 研究员

报告时间: **2014 年 5 月 18 日 (周日)**

**下午 16:00-17:00**

报告地点: 科技综合楼三层 **311**

计算数学所报告厅

## **Abstract:**

**Introduction to discrete moving frames which are more suitable for studying recurrence relations and finite difference problems, than the moving frame described in Talk 1. This talk briefly reviews moving frames and has for the main application, discrete integrable systems.**
