

数学与系统科学研究院
计算数学所定期学术报告

报告人: **Prof. Nicholas J. Higham**

(*School of Mathematics, University of Manchester*)

报告题目:

How to Write Scientific Papers

邀请人:

科学与工程计算国家重点实验室

报告时间: **2019 年 4 月 25 日 (周四)**

下午 16:00-17:00

报告地点: **数学院南楼二层**

204 教室

Abstract:

I will discuss various aspects of how to write scientific papers. The presentation will treat the craft of scientific writing in general, as well as

- aspects specific to mathematical writing,**
- workflow,**
- English Usage, and**
- how to write and publish a paper.**

Plenty of examples and links to further information will be given. Some brief hands-on writing exercises will be given to the audience.
